UPDATE ON THE POSSIBLE PHYSICAL DESCRIPTION OF JOHN MICHAEL MANARD AND TOBY YOUNG

News Release #7

Wednesday, February 15, 2006

Lansing Correctional Facility investigators have confirmed that Toby Young purchased black or dark brown hair dye and an electric razor the week before John Michael Manard escaped from the facility. Either or both of the subjects may have significantly changed their appearance: they may now have black or dark brown hair and Manard may be clean-shaven or may be growing a beard.

Investigators are seeking assistance from the public as to whether anyone has recently sold or loaned gunpowder blue 1998 to 2000 Chevrolet SUV to someone matching the description of Toby Young, or whether someone owns such a vehicle and the vehicle cannot now be accounted for. Investigators are also seeking assistance from the public as to whether they have information regarding any vehicle of any description that has been recently sold, rented, or loaned to Toby Young.
